Dejavoo
an IPOS systems company

ESSENTIAL BACK-OFFICE TOOLS.

DejaPayPro, has all the features you want in one solution. For Retail – real-time reporting, simple user interface, accept all card types, and more. For Restaurants – tip adjustment, table mapping, manage reservations, and online ordering.

Contact us today to get started.

Smart and affordable

DejaPayPro integrates with Android registers, Android and iOS tablets, and Dejavoo terminals. Its features, coupled with the DeNovo Cloud Back Office system, offer merchants a hassle-free experience at the checkout counter.

Easy to use and dependable

For retail shops and QSRs that require a fast-paced, easy-to-use system with little set-up and virtually no downtime.

White glove service and support

Our professional, on-site, bi-lingual service and support teams will handle any questions or concerns you have about the POS system, credit card services, training, and repair or replacement.

Customers can choose how to pay

DejaPayPro's customized payment options, including EMV-certified payments, digital wallets and contactless cards, are all supported for curbside payments with secure card present rates.

Have questions or need help?

A dedicated team member will be with you every step of the way.
