

Imagine a loyalty program, *only better.*

Unlock the power of loyalty with DejavooExtra – integrated directly into Dejavoo POS devices for effortless setup and unmatched features that drive customer retention and repeat sales.

No complex setups, no upfront costs – just powerful tools that transform first-time customers into loyal champions with minimal effort and maximum impact.

Zero upfront investment, all upside

Introduce your merchants to a loyalty program without any upfront costs. DejavooExtra empowers merchants to boost engagement, increase retention, and drive sales.

Effortless integration, maximum efficiency

Dejavoo Extra's plug-and-play solution was designed for minimal training. Our system ensures your merchants can focus on what they do best, growing their business.

Unlock new profit channels

ISOs, discover untapped revenue by offering your merchants a loyalty platform that does more than process payments – it turns every transaction into an opportunity for repeat business and deeper customer relationships.

Stay ahead or be overtaken

In a market where customer retention is critical, can you afford to fall behind? Dejavoo Extra equips your merchants with the loyalty tools needed to keep customers coming back. Offer a loyalty solution that keeps them in the lead.
